EINSTEIN'S NEWS

March 2016

He is Risen!!!!

We are excited to celebrate the Resurrection of Jesus this month!
Matthew 28

We are celebrating Dr. Seuss' birthday (March 2nd) this month.

Great Quotes from Dr. Seuss:

Today you are you! That is truer than true! There is no one alive who is you-er than you!

The more that you read, the more things you will know. The more that you learn, the more places you'll go.

Don't cry because it's over. Smile because it happened.

Young Toddlers

Dear Families,

The Toddlers are ready to march with excitement as we embracing our monthly scripture "Open my eyes that I may see wonderful things in your law." Psalm 119:18. We will begin our month by celebrating Dr. Seuss, and Einstein's Discovery. There will be many opportunities to explore during Morning Meetings, Circle Time, and Center Time. We will end the month as we celebrate St. Patrick's Day / Rainbows, Easter & bunnies.

SURPRISE !!! You will receive a weekly, customized progress report each Friday which will give you information on the direction your child is moving. It will also include information about what your child should bring for Show & Tell on Mondays and Tuesdays based on his/ her progress.

Last but not least, please give us a helping hand by labeling all items brought into the classroom. This helps us to know which coat, hat, clothes, diapers or pull-ups belong to your child, as our toddlers continue using self help skills by freely visiting his/her cubby to obtain or put things away.

Thanking you again for your cooperation and help in our toddlers' development! YOU ARE THE BEST!!

Sincerely,

Mrs. Perry sperry@einsteins-playground.org

Ms. Campbell mcampbell@einsteins-playground.org
